

REEM
2019
Salon
COLLECTION

The logo is centered on a dark grey background with a repeating pattern of light grey, wavy, parallel lines. The text is arranged vertically: 'REEM' in a bold, grey, sans-serif font at the top; '2019' in a smaller, grey, sans-serif font below it; 'Salon' in a large, elegant, yellow cursive script in the middle; and 'COLLECTION' in a bold, grey, sans-serif font at the bottom.

Welcome to REM.

UK's number one manufacturing facility for Hairdressing Furniture.

Established now for over a hundred years REM are the UK's leading Design and Manufacturers of furniture into the Salon, Spa and Barber sector. With a manufacturing facility boasting a skilled workforce and State of the Art Technology, REM create a wide range of unique products all available in a variety of finishes and colours. REM's in house Design facility can help you realise your dream Salon working with you to produce scaled plans and 3D visuals.

Made in Britain

How to Buy

Buying REM products is a fun and exciting process, just follow these 5 simple steps!

Step 1 - Choose a distributor

Visit www.REM.co.uk to find an REM distributor near you, or contact our sales team by phone on 01282 619977 or by email at sales@REM.co.uk

Please Note – REM products are only available through one of our 600 worldwide distributors.

Step 2 - Select your product

You can find our products in this catalogue, on our website, or on one of our REM distributor's website.

Step 3 - Visit our showroom

We have a large selection of our products on display in our distributor's showrooms, allowing you to experience the feel and quality of our products for yourself before you buy. We also have a large REM showroom in Lancashire, which is open to visitors through the week, displaying some of the latest REM products available. Call REM Reception to book your appointment.

Step 4 – Personalise your choice

Once you have chosen your products, you can choose from over 40 different colour options (displayed on pages 180-183). Once you have finalised your REM order, you will receive an accurate delivery date from your distributor.

Step 5 - Delivery

Each product page specifies typical lead times for all products for delivery via designated carriers or the REM fleet of vehicles. A premium 2 man delivery is also available (POA).

Pages 12-17 contain a number of items held in stock for any urgent needs and can be delivered within 14 days of your confirmed order.

Our Prices

As a trade manufacturer and supplier of Professional Hair & Beauty Furniture the prices shown in our catalogue exclude VAT.

Delivery

Delivery is included in the price of your goods to UK, Eire and Northern Ireland. Exclusions include offshore islands and Scottish postcodes IV, KW and PA.

For delivery to Export destinations POA.

Disposal of your old appliance

The crossed-out wheeled bin symbol which you will find on the 'Rating Plate' attached to your product, or appearing in the Assembly/Operating Instructions, signifies an obligation by the purchaser or owner, to dispose of the equipment in accordance with the European Directive 2002/96/EC. This is a statutory instrument commonly known as the 'WEEE Regulations', which effectively requires you to carry out disposals of all Electrical and Electronic Equipment separately from your usual waste facilities. Specialist waste controls, designated by the Government (or Local Authorities) are to be made available to prevent potentially harmful substances affecting the environment and causing possible human and animal health risks.

More information is available from your local Environmental Health Office, Local Authority Waste Disposal Service, or the sales point from which the product was originally purchased.

REM WEEE Reg No: WEEE/BJ0066TW

REM Fabrics

Create your own look with any single, or combination of Fabric and Laminate Colours. Please note, due to variations in the printing process, the fabric and laminate colours shown here may vary from the actual product. Should you require any laminate or fabric samples, please phone our sales office on 01282 619977 or email to sales@rem.co.uk

REM Laminates

Create your own look with any single, or combination of Fabric and Laminate Colours. Please note, due to variations in the printing process, the fabric and laminate colours shown here may vary from the actual product. Should you require any laminate or fabric samples, please phone our sales office on 01282 619977 or email to sales@rem.co.uk

Using our industry expertise and creative flair, REM Design can help you plan your dream salon, offering advice on products, colours and layout to help you get the most out of your budget.

Whether your salon is large or small, and regardless of your budget, we are always excited by the opportunity to create an environment that is stimulating, motivating and inspiring for your staff and your clients.

With an extensive range of furniture to choose from, you can personalise your salon by using our REM Design service. The REM Design experience begins with one of our knowledgeable team members arranging to meet with you to discuss your project. During this visit, accurate site measurements will be taken before discussing your needs and preferences, and explaining the REM Design process - detailing styles, colours, quantities and potential layouts to help you realise your dream.

Once back in the office, our design team uses the measurements taken in your salon to create a set of bespoke scaled floor plans and 3D visuals to suit your brief. Our state-of-the-art, industry-leading CAD technology ensures that these visuals accurately represent both your salon and our design. We combine your vision with our expertise to deliver a range of inspired designs that will accurately represent your brand.

When your needs include items not offered on your standard range, such as reception desks, seating or styling sections, we can design and build bespoke solutions to your exact specifications using REM Bespoke.

At REM, we understand that today's working environments have to be responsive to the changing needs of the contemporary workplace. With this in mind, the designs we offer are inspirational and tailor-made to reflect the image and reputation of your salon.

This service is available for £225 + vat, which is refunded upon placement of an order totalling £3000 or more.

REM's extensive showroom in their factory, Nelson Lancashire is open to visitors 5 days a week (Mon-Fri) Appointments can be made to view the showroom by calling REM Reception on 01282 619977. Please note that REM deal solely through their UK distributorship and so no direct purchases can be made during your visit. However, REM will help and advise you on choosing the nearest distributor to your business.

Realise your Salon dreams with the latest in Salon Planning Technology - 3D Salon Planning by REM Studio.

REM Brand

At REM we offer a customised brand embroidery service to complete the look of your salon and reinforce your brand in a stylish, professional manner. We can provide detailed brand embroidery on all of your styling chairs, barbers chairs and stools.

All we require is for you to send us a full colour JPEG with your logo, specify the desired size of the embroidery, and let us do the rest. Our embroidery team has a wealth of skill and experience, and can produce accurate, consistent results throughout your entire salon.

REM Environmental

We are committed to providing a quality service in a manner that ensures a safe and healthy workplace for our employees and minimises our potential impact on the environment. We operate in compliance with all relevant environmental legislation and we strive to use pollution prevention and environmental best practices in everything we do.

We run our business in the 'greenest' way possible and although we don't claim to be saving the world with a few generic environmental policies, we do face up to our responsibilities both as a company and as a group of individuals trying to make a difference.

Waste costs money, stretches resources and it screams of inefficiency and incompetence. We have a policy, but for years we've educated and encouraged our staff to plan and use best practice to reduce waste.

Our CSR is more than just a statement of good intent - we have broken it down into real processes that we have implemented and will continue to develop in the future.

"Sowing the seeds of change into our team to work, act and be conscious of how they carry out their day-to-day activities will ensure that in the future, acting environmentally responsible will become second nature".

At REM we realise that due to the nature of our business, our carbon emissions are relatively low.

As well as the fundamental changes we have made to our business over the years, we have also taken a series of small internal steps throughout our company to help reduce our environmental impact even further.

We promote environmental awareness amongst our employees and encourage them to work in an environmentally responsible manner. To summarise, we are committed to making sure the impact we have on the environment for our future generations is minimal - after all, many are our future customers!

REM Made in Britain

REM and its predecessors have been manufacturing a diverse range of Salon and Beauty furniture in the heart of Lancashire for over 100 years, and are extremely proud of their heritage. As the years rolled by, they found themselves developing the business into the Spa and Educational sectors - specialising in the completion of many prestigious spa's and training academies around the world. Its ethics as a British manufacturer are to employ a local labour force and to specify, where possible, UK componentry used in the production of its goods. The aim is and has always been to design, create and manufacture high quality products to a professional industry throughout both the UK and export markets.

Every product made is quality assured, following the guidelines set out in British Standards. These standards comply with current regulations including CE, WRAS and RoHS certifications. All products are manufactured under stringent Health and Safety policies, protecting both employees and end users.

REM Commitment

REM has made every effort to ensure that the products presented in this catalogue are as the original. To provide the highest levels of product quality, we may occasionally alter the material specification of our products. Any such change will not significantly alter the look or functionality of the product. Dimensions quoted are accurate. However, if our products need to fit in particular spaces, ensure that you obtain precise measurements and discuss any queries with our technical staff. All products sold are subject to availability.

Printing and the Environment

This catalogue is printed by Sterling Solutions using the latest print technology that reduces environmental impact by using 100% vegetable based inks, low waste and renewable energy sources. 97% of all waste is recycled.

Sterling Solutions is ISO 9001:2000, ISO 14001, ISO 18001, ISO 27001 accredited, and participates in the FSC and PEFC schemes to promote the sustainable and ethical management of forestry.
